

OverHaul™ HD and OutPost™ HD

APPROVED VEHICLES FOR FITMENT AU/NZ/EU

Important warranty information

Due to difference in design between the tubs fitted to US-built trucks, and the tubs found on utes/pick ups in the rest of the world, there are important restrictions for fitment of OverHaul™ HD (8001151) and OutPost™ HD (8001152).

Only the below listed vehicles are approved for fitment of these systems.

All other vehicles will not be covered by warranty if these systems are fitted and/or damage is sustained to the vehicle.

For further information, please contact Yakima Australia customer service at info@yakima.com.au
